

GO:0003735
structural constituent of ribosome

YLL045C: Ribosomal protein L4 of the large ribosomal subunit

YLR029C: Protein component of the large ribosomal subunit

YLR048W: Protein component of the large ribosomal subunit

YLR048W: Protein component of the large ribosomal subunit

YLR061W: Protein component of the large ribosomal subunit

YLR075W: Protein component of the large ribosomal subunit

YLR185W: Protein component of the large ribosomal subunit

YLR167W: Fusion protein that is cleaved into two proteins

YLR264W: Protein component of the large ribosomal subunit

YLR287C-A: Protein component of the large ribosomal subunit

YLR333C: Protein component of the large ribosomal subunit
